

Vitality Support Formula

Support for Individuals affected by fatigue†

DESCRIPTION

Vitality Support Formula provided by Douglas Laboratories®, is a unique and comprehensive combination of vitamins, minerals, herbals, and other nutrients, carefully formulated and specifically designed to support and boost the function of the body’s defenses against the stresses imposed by occasional fatigue. †

FUNCTIONS

Studies show that a high percentage of adults in North America and other developed countries eat less than the minimum daily allowance of 10 or more essential nutrients. Adequate amounts and proper balance of these nutrients are needed not only for maintaining good health, but also for the dietary management of the body’s structure as well as the optimum functioning of its various systems, including the immune, hormonal and neuromuscular systems. †The Vitality Support Formula has been carefully developed to contain the right proportions of vitamins, minerals, trace elements, and other nutrients to serve as a foundation to general health and wellness.† Each ingredient is selected in consideration of its absorbability, competitive relationship with other nutrients, allergenic potential, and long-term safety. Certain nutrients such as beta-carotene, vitamin C, vitamin E and B-complex vitamins are included in high-potency amounts because of the vital roles they play in antioxidant support, energy production and the maintenance of healthy blood cells, hormonal balance, and more. †

Vitality Support Formula contains not only essential vitamins and minerals that offer intensive support for the healthy functioning of the body in general, but also a blend of herbs and additional nutrients specifically formulated to support symptoms of occasional fatigue. †

Research suggests that immune enhancing herbs, such as Echinacea, Shiitake mushroom, and Astragalus, as well as those that support adrenal function, such as licorice, may support the body’s immune function that can often be compromised when fatigued. Chamomile may help to reduce the mental stress experienced during periods of decreased immune function. †

INDICATIONS

Vitality Support Formula tablets may be a useful dietary supplement for those who wish to boost their vitality and energy.

FORMULA (#4546)

4 Tablets Contain

Vitamin A (17% as Vitamin A Acetate/83% [25,000 IU] as Beta-Carotene)	30,000 IU
Vitamin C (Ascorbic Acid/Ascorbate)	1000 mg
Vitamin D-3	50 IU
Vitamin E (as Vitamin E Succinate)	
Thiamine (as Thiamine mononitrate)	50 mg
Riboflavin	25 mg
Niacin/Niacinamide	120 mg
Vitamin B-6 (as Pyridoxine HCl/Pyridoxal-5-Phosphate Complex)	25 mg
Folic Acid	800 mcg
Vitamin B-12 (cyanocobalamin)	100 mcg
Biotin	300 mcg
Pantothenic Acid (as d-Calcium Pantothenate)	150 mg
Calcium (from Calcium	300 mg

Vitality Support Formula

Support for Individuals affected by fatigue†

Citrate/Ascorbate/Carbonate Complex)	
Magnesium (from Magnesium.....)	300 mg
Aspartate/Ascorbate/Oxide Complex)	
Zinc (from Zinc Krebs/Aspartate/Oxide Complex)	20 mg
Selenium (Organic Selenium from	200 mcg
Krebs† Cycle and Kelp)	
Copper (from Krebs)	
Manganese (from Manganese	15 mg
Aspartate/Sulfate Complex)	
Chromium (Organically bound with	200 mcg
GTF activity-low allergenicity)	
Molybdenum	50 mcg
(from Molybdenum Krebs†)	
Potassium (from Potassium	75 mg
Aspartate/Chloride Complex)	
Choline (from Choline Citrate/Bitartrate).....	20 mg
Inositol	25 mg
Citrus Bioflavonoid Complex	100 mg
PABA (para-Aminobenzoic Acid)	50 mg
Vanadium (from Vanadium Krebs†).....	25 mcg
Boron (from Boron	1 mg
Aspartate/Citrate Complex)	
Trace Elements (from Sea Vegetation).....	100 mcg
Vitality Support Proprietary Blend	500 mg

Golden Seal (root), Echinacea angustifolia (root), Echinacea purpurea (root), Shiitake mushroom (mycelium) (Lentinus edodes), Chamomile (flower) (German), Burdock (root) (Arctium lappa), Licorice (root) (Glycyrrhiza glabra), Betaine HCl, Ligusticum porteri (root), Radix astragalus (root), Lomatium dissectum (root), Malic Acid, Magnesium Hydroxide, Raw Adrenal Concentrate (bovine), Raw Thymus Concentrate (bovine), N-Acetyl-L-Cysteine/L-Cysteine HCl, L-Methionine, and Glutamic Acid HCl

SUGGESTED USE

Adults take 4 Tablets daily with meals or as directed by a healthcare professional.

SIDE EFFECTS

No adverse side effects have been reported.

STORAGE

Store in a cool, dry place, away from direct light. Keep out of reach of children.
